## Notice Concerning Revisions to Full-Year Financial Results Forecasts

Hodogaya Chemical Co., Ltd. (the “Company”) hereby announces that we have revised our forecasts of the consolidated business results for the fiscal year ending March 2026 (April 1, 2025 – March 31, 2026) which we announced on November 11, 2025.

1. Revisions to consolidated financial results forecasts for the current fiscal year (April 1, 2025 through March 31, 2026)

(Millions Yen)

	Net Sales	Operating Profit	Ordinary Profit	Profit attributable to owners of parent	Earnings per share
Previously announced forecasts (A) (November 11, 2025)	47,000	3,500	3,500	2,000	125.86 Yen
Revised forecasts (B)	48,000	3,700	4,200	3,000	188.65 Yen
Change (B-A)	+1,000	+200	+700	+1,000	—
Change (%)	+2.1	+5.7	+20.0	+50.0	—
(Reference) Actual consolidated results for the previous fiscal year (Fiscal year ended March 31, 2025)	48,578	4,875	4,770	3,178	200.04 Yen

2. Reason for revision

Regarding the full-year consolidated financial results forecast, net sales are expected to exceed the previously announced projection.

Operating profit, ordinary profit, and profit attributable to owners of parent are also expected to surpass the previously announced forecasts. This revision is driven by revenue growth, fixed cost reductions, favorable foreign exchange impact resulting from the depreciation of the yen, and the recording of extraordinary income from the sale of investment securities (strategic shareholdings).

Consequently, the Company has revised its full-year consolidated financial results forecast previously announced on November 11, 2025, as stated above.

Despite these revisions, there is no change to the year-end dividend forecast (25 yen per share) for the fiscal year ending March 31, 2026.

Note: The above forecasts are based on information available as of the date of this announcement and actual results may differ due to various factors in the future.
